# *Debi Gray* **MUSIC SCHOLARSHIP**

Tonight's performance is a fundraiser for the Debi Gray Music Scholarship fund. We believe all children and youth should have an opportunity to receive a quality arts education. The Debi Gray Music Scholarship was founded in 2020 to carry on the legacy of Debi Gray, who was the grandmother of MTC member, Emmy Riemer. Debi was an avid supporter of the arts and a musician herself. By donating to this scholarship, you will help us make the arts more accessible to the youth in our community.

You can donate in one of the following ways:

- Cash
- Check (make check payable to ArtWorks Academy and put "scholarship" on the memo line)
- Pay now by clicking on the link below
